TES Electronic Solutions

Overview 3Q24

www.guiliani.de info@guiliani.de

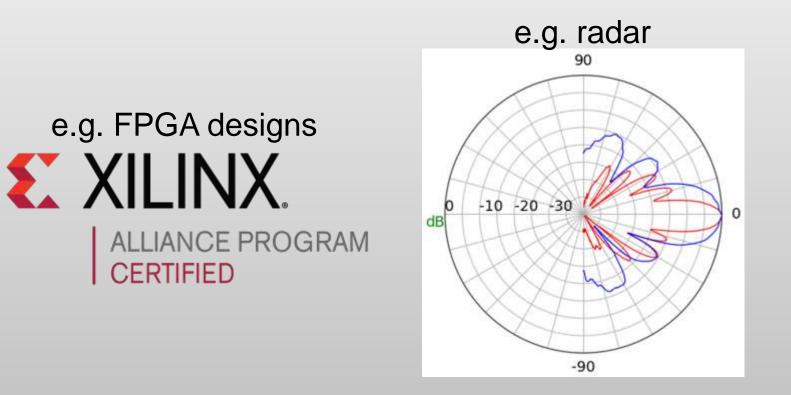

Guiliani is a TES Electronic Solutions original software product

- TES is a **Technology and Design Services Company** based in Germany with a global customer base.
- 90 employees, 90% engineers
- Embedded software, Graphics, RF such as radar and chip design including mixed signal, FPGA
- We Create Design Manufacture
- Close Semiconductor Industry Partner for 20 years, in all imaginable applications...

e.g. 3D-Surround View Software

Guiliani Differentiators – Why Guiliani?

- Guiliani is a software framework for creating stylish Graphical User Interfaces on any embedded hardware
- Fast, easy, professional! Time-proven in millions of embedded systems!

Top 5 reasons to choose Guiliani, based on customer testimo **Powerful**, modern object-orientated C++ GUI software **Intuitive** WYSIWYG Guiliani Streaming Editor (GSE) **Innovative** streaming of graphics assets **Scalable** from MCU to MPU, from bare metal to Linux Best-in-class technical support & services

Flexible Business Model to meet your commercial needs as well

onials	Your Benefit
	Fast time to market
	Get work done quickly
	Supports teamwork
	Learn once, develop many
	Projects on time, on budget

Guiliani Positioning and Scalability

Premise: embedded GUI = fine granularity range.

Guiliani is perfectly scalable across both, MCU & MPU. Bare-metal, RTOS...Linux. MCU 48MHz MCU 48MHz MB Flash MCU 48MHz 320x240

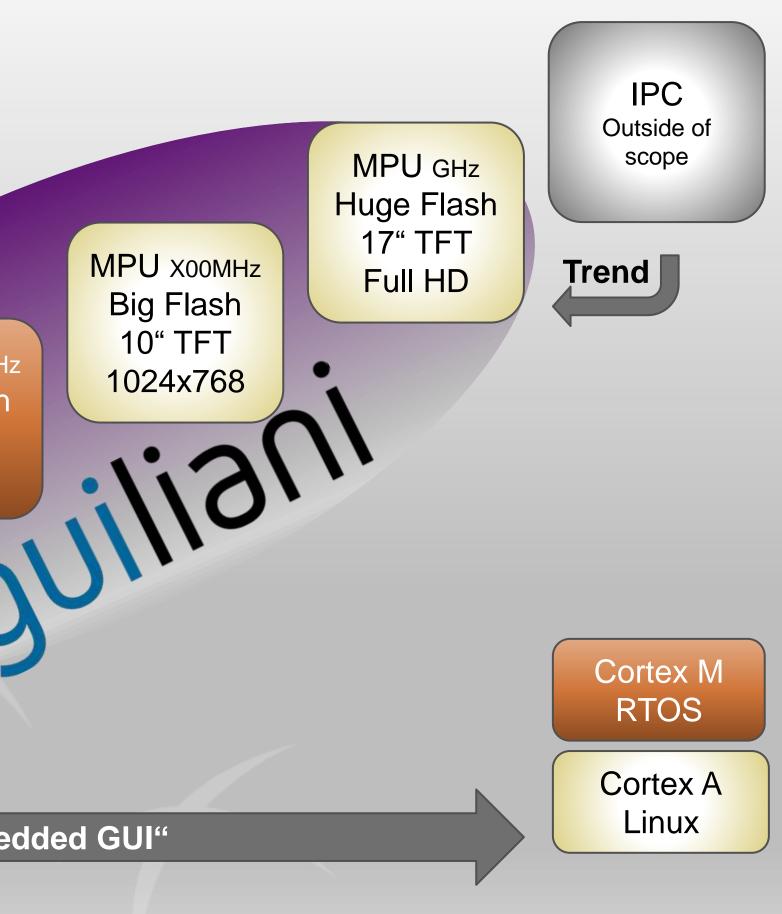

2" TFT

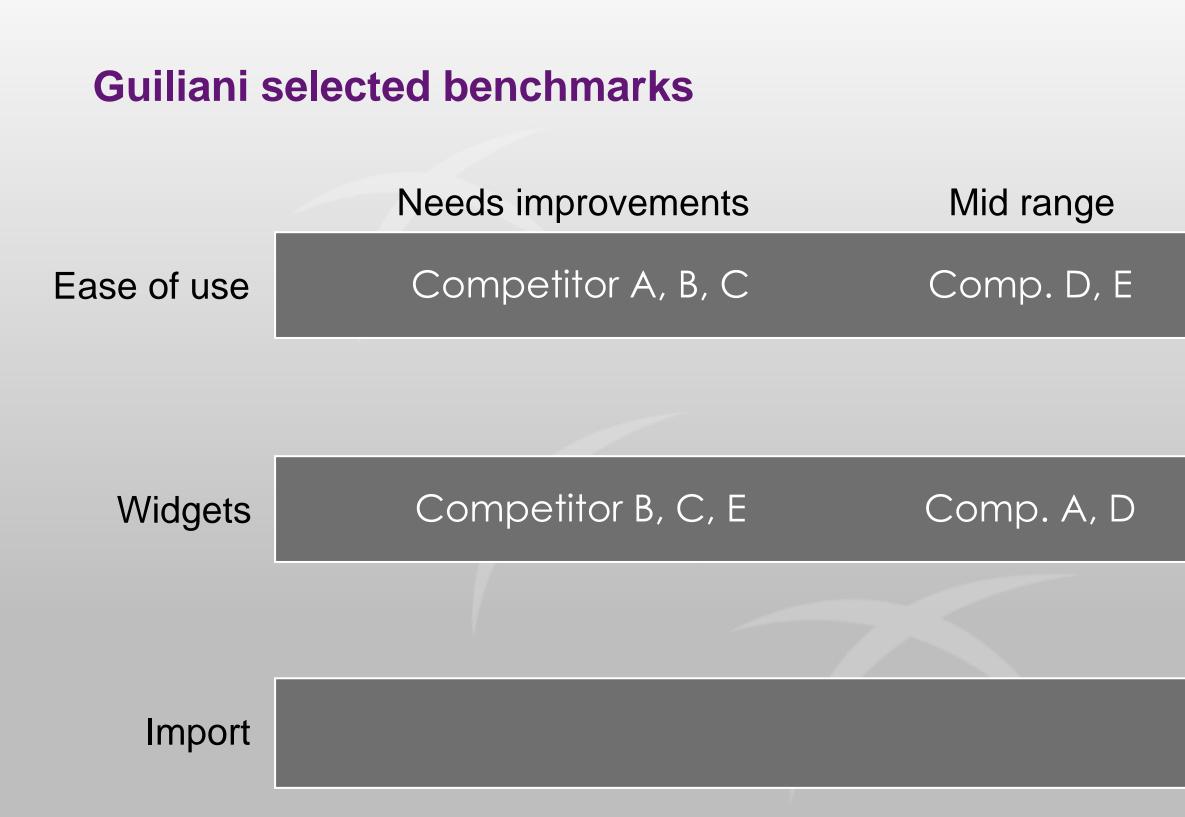

128x128

Definition of "embedded GUI"

Simple UI: 7seg, dot matrix Outside of scope

Guiliani Customer Voices

"This proved to be a great partnership, as both companies <TES and Renesas> provided **solid technical support** throughout the development" S.F., Head of Engineering at customer L., UK

"We are really enjoying using Guiliani:

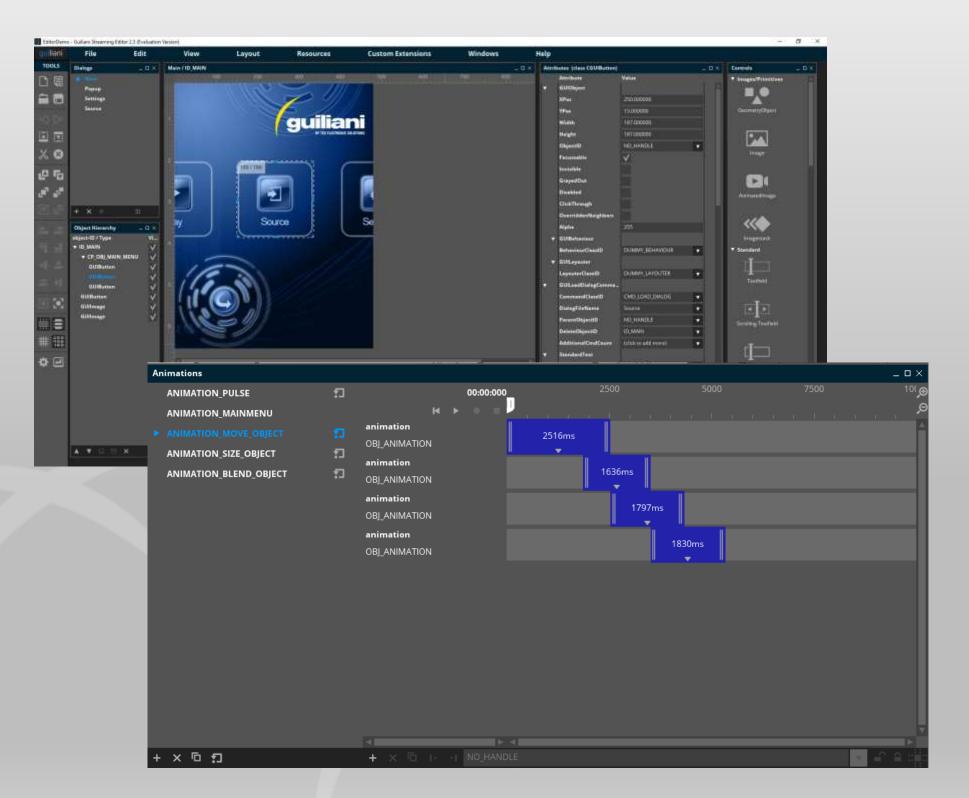

basic controls and behaviors are very easy to handle with the provided example project and with only a few application code one can do really powerful and amazing stuff! Simulator is also a great feature..." As easy as powerpoint! X.R., R&D at customer R., France

"I am compiling my very positive results for my management team." M.S., R&D at customer M., USA upon completion of a deep-dive evaluation with creation of a "Proof of Concept"

Guiliani Technologies at a glance (1)

- Modern, object-oriented C++ framework, easily interacts with ANSI C, of course
- The Guiliani Streaming Editor (GSE) is intuitive to use and runs on Guiliani too (!), therefore it can easily simulate your GUI on your PC even
 before you have target hardware
- Cool animations editing to easily create even complex animations within minutes
- GSE available under Windows & Linux

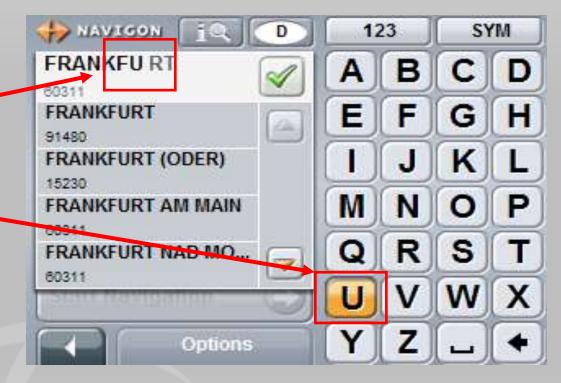

Guiliani Technologies at a glance (2)

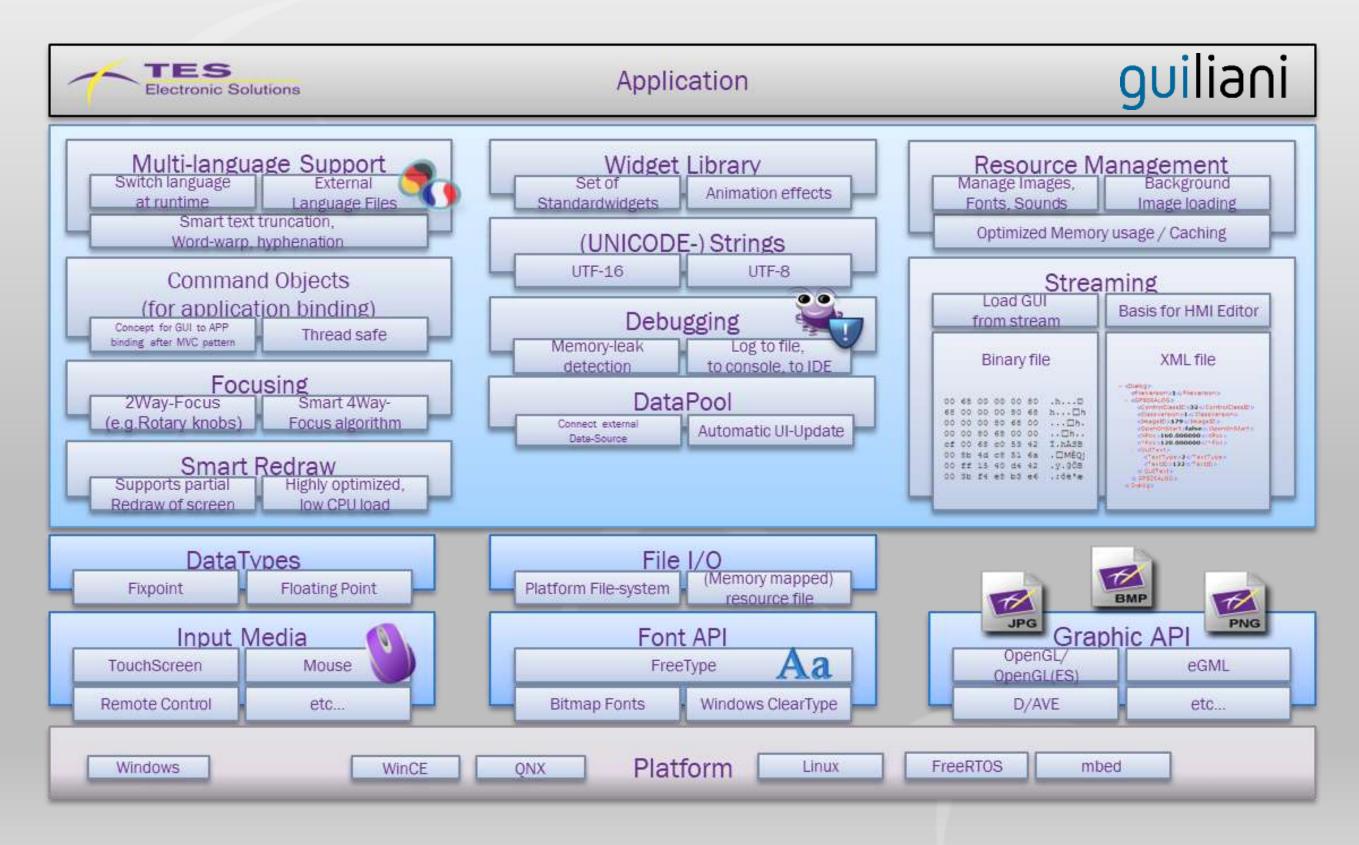

- Modular Design = customizable, portable, efficient
- Guiliani Streaming Engine creates the user interface at run-time using XML/binary = agile!
- Highly optimized utilization of D/AVE GPUs,
 because we know every line of code in Guiliani and every single gate in D/AVE GPUs...
- Smart, partial redraw saves performance and bandwidth
- Performance Profiling Tools keep engineers in the know

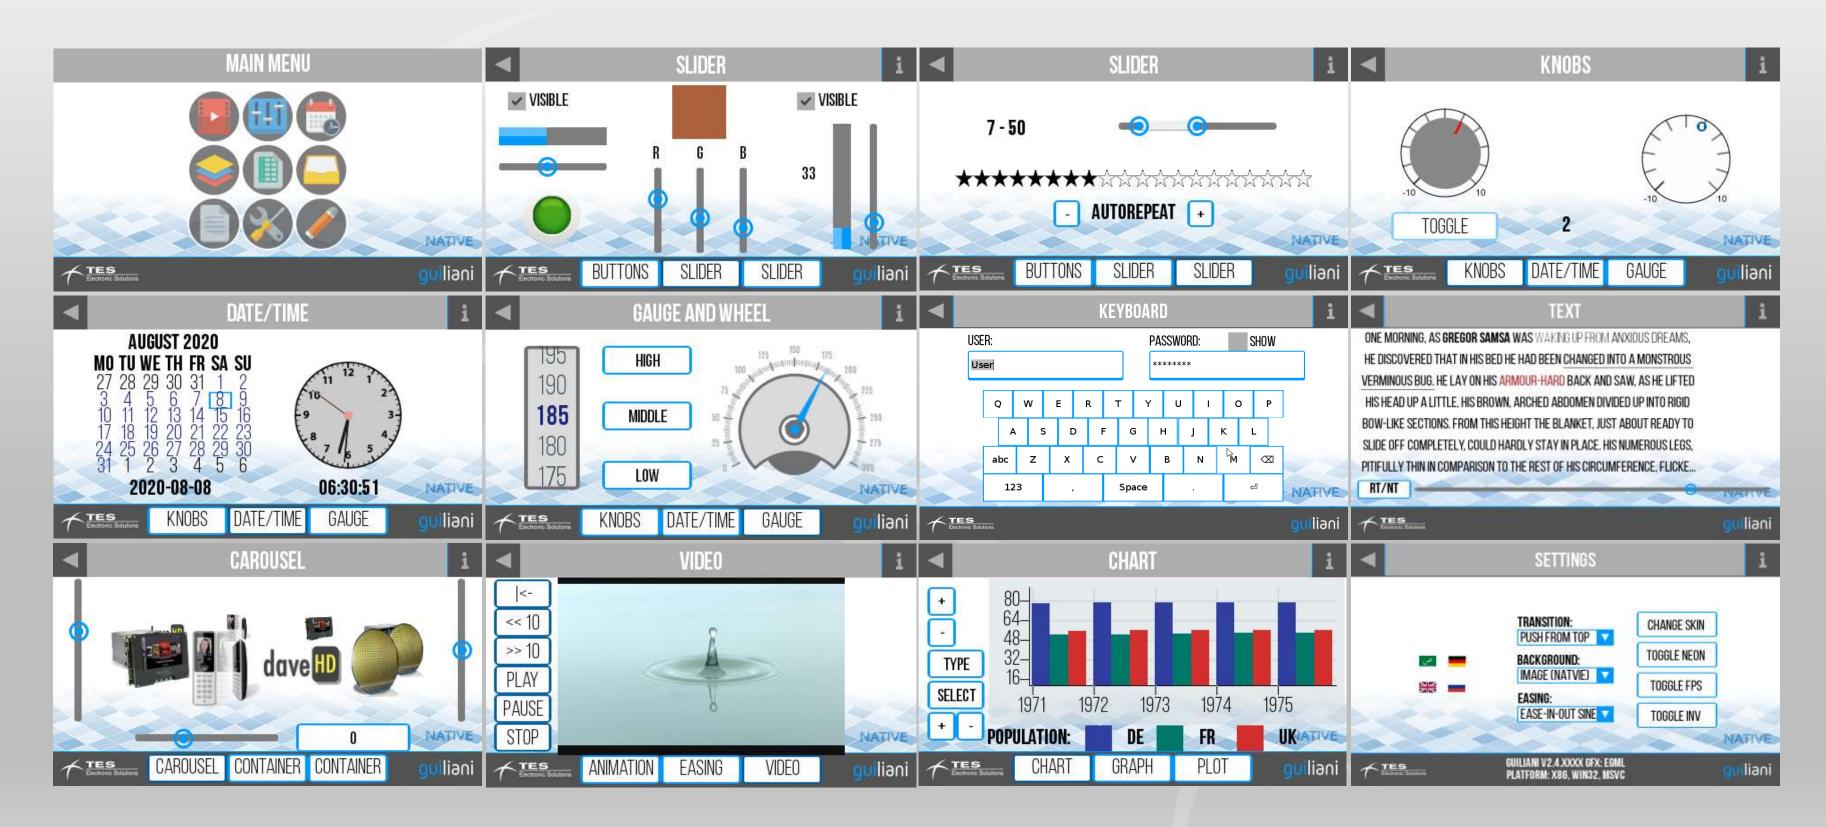

Guiliani Technologies at a glance (3)

Guiliani Feature Examples (the list goes on...)

New! Guiliani 2.6 new features

New Features:

Multi Touch Scale & Swipe

Polygonal shapes

8-bit gray-scale color format

Enhanced data pool evaluation (=, >, <)

GSE: dialog selection to optimize memory footprint further

Flexible window placement

Context sensitive online help

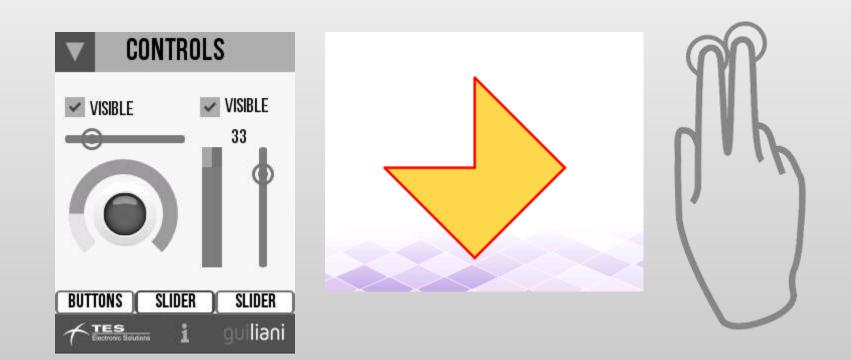

Object filtering

Dialog resize

Performance Enhancements

Guiliani Target Applications

Guiliani excels in all embedded applications such as

Appliances

Automotive & transportation

Battery operated devices

Home & Building Automation

Industrial, Test & Measurement

Medical & Fitness

Wearables

Point of Sales (EPOS)

Courtesy of Medallion Instrumentation Systems

It's easy to get your hands dirty

- 1. Go to www.guiliani.de
- 2. Choose SDK/Desktop
- 3. Click on the Windows or Linux Download
- 4. Unpack the ZIP File
- 5. Start gse.exe (in the gse subfolder)

et voilà!

You are sitting in front of the Guiliani Streaming Editor (GSE) now!

Guiliani Streaming Editor (GSE)

Guiliani = Perfect Teamwork

Mary is artist. Uses e.g. Photoshop. Delivers artwork by e.g. USB stick...

Other stakeholders, e.g. Product Management, Sales, Marketing, etc...

Tahir is engineer. Uses Guiliani to integrate Mary's artwork with the inputs from other stakeholders...

Guiliani Support and Services

- 1. Professional Support & Maintenance
- 2. Engineering Support, e.g. porting to your hardware/tools/OS, application binding, performance optimizations...
- 3. Development of custom widgets and behaviors
- 4. Guiliani Trainings
- 5. Complete turn-key developments of products...
- 6. ...even manufacture and supply chain management!

Highest customer ratings!

TES Electronic Solutions: Your holistic graphics partner

- **Graphics hard- and software = core competency**
- We offer Hardware IP Blocks for integration into **MCU/MPU** and usage in FPGA designs:
- Graphics Processing Units (GPU)s "D/AVE" family
- Configurable Display Controller (CDC)
- Configurable Video Input Controller (CVI)
- **TES Warping Engine**
- **Graphics Software** beyond Guiliani such as...
- **3D-Surround-View Software**
- Software rendering IP
- And any combination of the above + services!

Guiliani Partner Highlight: M13Design (for Renesas RA6M3 MCU)

- 1. M13Design in France design excellent MCU/MPU kits
- The latest kit is for the Renesas RA6M3 MCU: M13-RA6M3-EK Kit with 4.3" 480x272 LCD Spec = RA6M3, 32MB QSPI Flash, 32MB SDRAM ethernet, USB, J-Link OB debugger, 2x PMOD, 1x mikroBUS[™] and a lot more...
- 3. Available! Click here
- 4. **Highlight:** M13Design can create YOUR derivative to meet your requirements quickly and at highly competitive cost
- 5. Contact: info@m13design.fr

Short unboxing video: https://youtu.be/x02L1gAE5H4

Soon: Support for RA8D Soon: Support for RA8D Gontact info@guiliani.de

Guiliani Partner Highlight: M13Design (for Renesas RZ/A hybrid MPU)

- 1. Latest addition to our cooperation with M13Design
- 2. Uses the powerful **RZ/A2M with 528MHz Cortex A9 MPU** 4MB internal high-speed RAM, 32MB external RAM, 64MB ext serial Flash and more... 4.3" 800x480 TFT with capacitive touch Lots of connectivity and on-board debugger...
- 3. Available! Click here
- 4. **Highlight:** Supported by "Prepaid by Renesas" therefore a Guiliani-lite license can be obtained for free (T&C apply).
- 5. Contact: info@m13design.fr

Video impression: <u>https://youtu.be/Pq9fn01pTvs</u>

Guiliani Partner Highlight: emtrion

- 1. emtrion STM32MP1 Support: Available NOW!
- emSBC-Argon: STM32MP157-based Developer Kit with Linux
 Dual ARM Cortex-A7 at 650MHz
 512MB SDRAM, 2MB QSPI NOR Flash, 8GB eMMC Flash, Lots of connectivity
- 3. <u>www.emtrion.com</u>
- 4. **Highlight:** emSBC-Argon available in volume off the shelf for super-rapid prototyping!
- 5. Contact: sales@emtrion.de

Short video impression: https://youtu.be/wMBXPtKBnoU

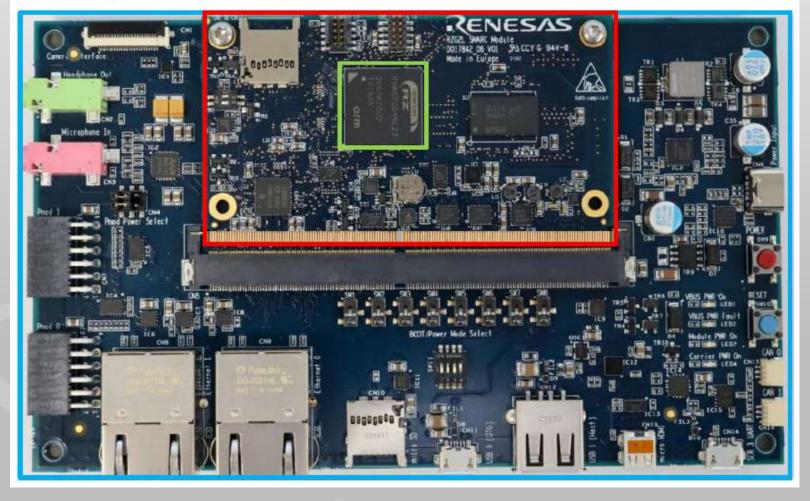

Guiliani Partner Highlight: Renesas RZ/G2L

- 1. High performance MPU! Dual core Cortex A55 at 1.2GHz
- 2. **SMARC v2.1 Module + Carrier** 2GB DDR4 + 64GB eMMC + micro-SD Lots of connectivity such as 2x gigabit ether, 2x USB, micro HDMI, MIPI CSI for camera and so on...
- 3. **Civil Infrastructure Platform SLTS Linux!** Secure Middleware, Multimedia. And of course Guiliani! Available NOW on www.guiliani.de
- 4. Contact: info@guiliani.de

Short video impression: <u>https://youtu.be/1Ia6NwArABY</u>

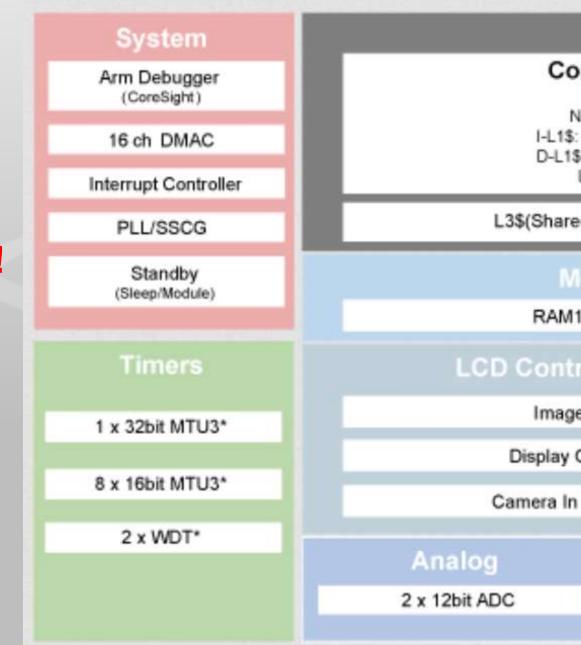

RZ/G2L SMARC v2.1 Module board + Carrier Board (Made by Renesas Europe)

Guiliani Partner Highlight: NEW RZ/A3UL

- 1. Low cost MPU Augments RZ/A family upwards
- 2. Quick boot by virtue of RTOS focus!
- 3. Guiliani 2.6 SDK available now!
- 4. Contact: info@guiliani.de

Short video impression: https://youtu.be/ck46U5zhy-M

Guiliani Partner Highlight: New UK Partner AND Technology Research

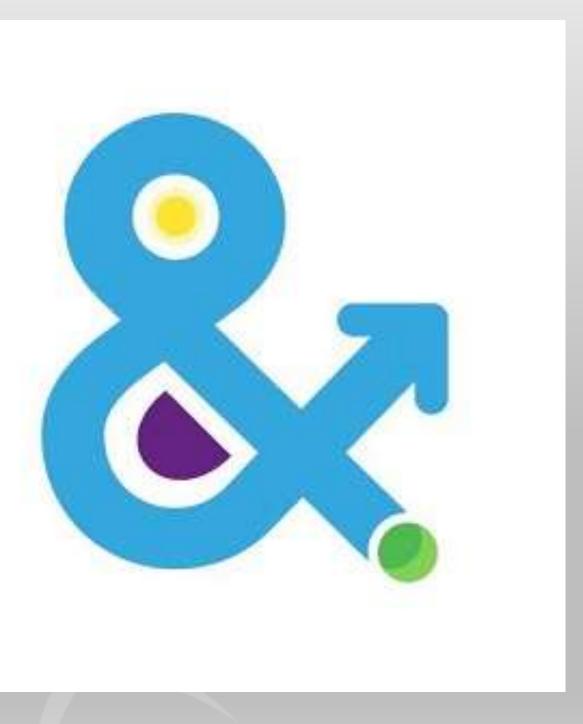

Joint promotion and best-in-class technical support now available to our UK customers

Special focus on medical applications

CEO Dr Nicola Thorn: "AND is excited to bring Guiliani to our portfolio of technologies. It provides a seamless way to build embedded user interfaces. We are proud to be the go-to Guiliani provider in the UK and beyond."

www.andtr.com

Guiliani Summary & Contacts

- Guiliani is a state-of-the-art, high quality, proven software product designed to empower the GUI of the best products anywhere in great style
- Customer's voice = powerful, intuitive, innovative, perfectly scalable and well supported
- Enables fast time-to-market, smooth teamwork and completing your projects on time and on budget
- Please try it! It's easy, even before you have target hardware. Because there are free desktop evaluation versions for Windows and Linux...
